Solutions Atlantic Secures Client Through RFP

Boston –1 December 2014 – Once again, at the forefront of shareholding disclosure automation, Solutions Atlantic announced today that it has been selected as the vendor of choice for a large investment management firm in Boston.

After a lengthy RFP process, which included many of Solutions Atlantic’s competitors, the client chose the Regulatory Reporting System (RRS) for its shareholding disclosure solution. RRS continues to be the market leading solution to manage global shareholding disclosure obligations for financial services organizations both large and small.

“Having been chosen against competitors and through a rigorous RFP process is a sweet victory for us,” said Mitchell Greess, CEO of SolutionsAtlantic. “This win is a testament to the years of expertise that stands behind RRS that newcomers just don’t have.”

Having been in client use for more than a decade, RRS gains support from market participants who want to ensure they are meeting their shareholding disclosure obligations in the most complete and efficient way. Boasting over 80 jurisdictions, RRS is the most proven solution available on the market today.

Solutions Atlantic is the market leading provider of shareholding disclosure solutions to the global financial services industry. For more than a decade, its Regulatory Reporting System (RRS) has been at the forefront of global shareholding disclosure obligations and currently supports a client base having nearly\$3.5 trillion in assets under management. With regulatory rules for over 80 jurisdictions, RRS leads the way in complete workflow automation including; monitoring, alerting and disclosure document generation.
